Recommendation Letter

9/9/2025

To Whom It May Concern,

I am writing to wholeheartedly recommend **Mr. Hamdan Mohamed** for admission to your esteemed institution. I have had the pleasure of teaching and mentoring Hamdan during his Diploma in IT studies at the University of Bolton, RAK and I can confidently say he is one of the most dedicated and intellectually curious students I have encountered.
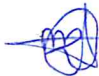

Throughout his academic journey, Hamdan consistently demonstrated a strong grasp of theoretical concepts and applied them effectively in both coursework and practical settings. His ability to think critically, engage thoughtfully in discussions, and maintain a strong academic record speaks to his diligence and passion for learning.

Beyond academics, Hamdan has proven himself to be a responsible, respectful, and collaborative individual. His integrity, positive attitude, and commitment to excellence set him apart from his peers.

I believe that Hamdan's academic foundation, combined with his eagerness to expand his knowledge and skills, makes him an ideal candidate for your program. I have no doubt that he will make significant contributions to your academic community and continue to excel in his chosen field of study.

Please feel free to contact me if you require any additional information.

Sincerely,
